## Welcome Back!

**It is great to see our students back at school and bouncing through the hallways. I can honestly say that the theme of “From there to here, from here to there, GOD is with us everywhere” is perfect for our school this year. The climate and culture is electric and I see examples of PeaceBuilding behavior every day in our rooms, hallways, and play areas. With our Enkindle rollout this month I can truly say that we are alive with Christ in our building and I am very excited about the great potential for the year!**

**I firmly believe that our faith calls us to do the things we promote with PeaceBuilders every day. There is certainly a great feel in the building and I know I appreciate all the hugs and high fives that students are offering up each day!**

*Walking With You to Meet Jesus*

## Enkindle

*I wanted to pass along a message from Kim Sullivan about Enkindle!!*

**“We are so excited to start the 2017-2018 school year off with Enkindle! This will be our 3rd year walking with each other to meet Jesus.**

**Join us in the 'classroom of silence' as we spend an hour learning how to pray and listen to Jesus speak to us. We journal, pray, sing and share with each other during this beautiful time before the Blessed Sacrament.**

**I personally want to invite you to join us. Come and experience Jesus with your kids. Witness Him speaking to their hearts, and allow Him to speak to yours as well! The dates and times for Enkindle can be found on the schools website. If you have any questions, I would love to answer them for you.” Kim Sullivan [402-750-2474](tel:402-750-2474)**

## Thanks!!!!

*We are started with another year and I wanted to take a moment to tell everyone thanks for a great start.*

**I would really like to show the staff here how much they are appreciated so please email me any positive comments you have about the year and your child's classroom teacher. I know this really makes our staff feel appreciated and shows them how much we truly value their service!!!
