A Letter from the Principal

I would like to welcome everyone back to the 2019-2020 school year; the priests, staff and myself look forward to working with parents and students to meet a standard of full, conscience, active participation in their faith, academics and activities. Students are offered the opportunity to be all that God had planned for them and to allow our young people to maximize their God-given abilities. We continue to be thankful for the generosity of our donors, who continue to help us meet the needs of our growing community.

We offer an education with a foundation in the Catholic faith, where students can embrace the pastoral vision of One Church: encountering Jesus, equipping disciples, living mercy. A Norfolk Catholic student can expect a challenging academic curriculum, individual attention from caring educators, and an emphasis on spirituality and service to others. They will make friends and build lasting relationships along the way. Norfolk Catholic is blessed with an outstanding faculty, and a caring and dedicated staff and administration. The adults in our building care about young people, their educational, social, and spiritual needs. Please take some time to visit our website @ www.sacredheartnorfolk.com and learn more about the programs offered @ Norfolk Catholic or please call the office @ (402) 371-2784. Parent and students each have a separate Sycamore account. Please check this account regularly to stay informed of academic progress as well.

Many times throughout the year, parents have questions about something going on at school. Please communicate, first, with the student, then the teacher. We strive to work together with you. Open and direct lines of communication often takes care of the problem. The next step would be to go to the Principal, (Sacred Heart, Bill Lafleur; and Norfolk Catholic 7-12 grades, Mrs. Wattier).

Let's walk with each other, together to meet Jesus.
